SAGE Nutrition Reference Guide

Daily macro targets for an active university student:
approximately 2500 calories and 150 grams of protein
distributed across 4 meals.

Sample day plan:
- Breakfast: oats with whey (~500 kcal, 35g protein)
- Lunch: chicken rice bowl (~700 kcal, 45g protein)
- Snack: greek yogurt and almonds (~400 kcal, 20g protein)
- Dinner: paneer, dal, roti (~900 kcal, 50g protein)

Keep protein within 30-40g per meal for optimal uptake.
